Free MOOC Hosting

Course Categories: **FREE AFRICA MOOCs**

If your course is free, we host for free

Africamooc operates a free course (MOOC) to an online course offering of large scale educational institutions and open access via the AeLSNet ePortal Africa.

In addition to additional course materials such as videos, readings, and other tools, MOOCs provide interactive user forums that help build a community for the students, professors, and trainers.

Support the initiative by uploading your free online course.
